DETAILED ACTION

Allowable Subject Matter

1. Claims 1-21 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: Prior art does not disclose or render obvious the storage of a plurality of different headers associated with the pixel map in the memory, each header containing the **same memory location** of the pixel map and a unique display characteristic as per independent claim 1; accessing an image data structure, the image data structure including an image block containing image data and a plurality of associated header blocks, each header block containing the **same memory location** of the image block as per independent claims 5, 12, 15 and 21. Min reference (U.S. Patent No. 6,462,746 B1) discloses the global header and the plurality of local headers to contain **different memory locations** associated with different portions of the pixel map (col. 7, lines 33-65, Fig. 7). Dependent claims 2-4, 6-11, 13-14, 16-20 from independent claims 1, 5, 12 and 15 respectively include similar matter allowable.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
